

NEWTON COUNTRY DAY SCHOOL
SAFE HOMES AGREEMENT

I will be present for any student parties held at my home or on my property.

I will not serve, nor will I allow guests under the age of 21 to consume alcohol or drugs in my home or on my property according to Massachusetts State law.

I will provide for adequate supervision of my property in my absence when minor children are left at home to avoid unsupervised student parties.

I will welcome calls from parents and discussion with students regarding Safe Homes parties.
